

Do you buy gasoline? Do you get milk at Kwik Trip?

Would you like to help Forest Glen?

You can do it all at the same time!!!!

Buy Kwik Trip gift cards through Forest Glen – you get that amount to spend at Kwik Trip and Forest Glen gets 5%! It’s easy and you don’t have to buy anything you don’t already use. If you use the card for in store items, Forest Glen gets **another 10%** back on your in store purchases.

For example: you can buy a \$100 gas card, get \$100 in Kwik Trip money and give Forest Glen \$5 at the same time!

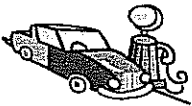

Then if you use it all to buy milk, bananas, etc. in store, it gives Forest Glen another \$10!

Please consider helping Forest Glen raise money.

Forest Glen will sell gift cards in \$10, \$25, \$50, and \$100 denominations. Order as many as you like. The order will be placed to the Kwik Trip corporate office on February 26th, and cards will be sent home in sealed envelopes/available for pick-up approximately March 9th. Payment should be sent with the order form, made payable to Forest Glen PTO. Please note that gift cards sold through this program can be used for fuel and/or in-store purchases.

If you prefer to pick up your gift card order, please indicate on the order form by checking the box. The Forest Glen office is open M-F from 7:30 – 4:30. Any questions or suggestions about this program can be directed to Kathy Schommer at kaschommer@gmail.com.

Thank you for considering this easy way to help Forest Glen raise money!
