School Highlights

Principal for a Day!

My day was awesome! I got to go to the district office and got to meet all these cool people and learn about their jobs. I got to meet the superintendent, Mr. LaCroix, see his office and talk about when he has to give delays or snow days. I learned that he's the person who makes those decisions. I had Subway for lunch and I got to eat in the teachers lounge. It was cool to eat with the teachers. Then I got to go on a tour of the school, hand out Timbertail Tokens and see the secret places in the building. I got to announce the pick ups. My favorite part was when I got to make the announcements! I am so honored to be your principal for the day!

School Highlights Continued

Soon we will be developing class lists for the 2018-2019 school year. Creating class lists is always a challenge as we try to make sure each student is placed appropriately and each classroom is balanced. We use the following variables to create classrooms that are optimal for learning:

- Balancing the ability levels of students so there is a rich blend of strengths in every classroom
- Placing children who see special teachers in a manner that will facilitate scheduling
- Separating children who have demonstrated conflicts that interfere with their learning and/or the learning of others
- Equalizing class sizes
- Creating a relative balance of boys and girls
- Reflecting on the learning styles of students and teachers

As district elementary schools, we ask that you do not request a specific teacher. If you feel your child has a special need, you can share this information by completing and submitting the [Student Placement Consideration Form](#). If a hard copy is needed please call 662-7958 and we will send one home with your child. Your child will be placed by a committed team of educators who make sure that each classroom is created for ALL of the students. Special student consideration requests are due in the school office no later than **Friday, April 27**

Importance of School Attendance!

If your child will be absent due to an appointment, it is recommended that you attain an excuse from your provider for the date and time of the visit and return the excuse to the school office. This will ensure that the absence is noted as an excused absence or tardy. Appointment cards will NOT be accepted as an excuse.

Call to report your child's daily absence by calling the school's attendance line at 662-7990.

Report your child's absence online here: <http://forestglenhssd.weebly.com/electronic-absence-form.html>

Monitor your child's tardies and absences through the district website: <http://powerschool.hssd.k12.wi.us/public/>

Thank You

On April 3, 2018, the communities of Howard and Suamico approved the operational referendum, placed on the ballot by the Board of Education, by a 58.6% to 41.4% margin.

Thank you to residents who attended listening sessions, asked questions, and voted. Your engagement demonstrates our communities' interest and dedication to our students, staff and schools.

The results represent a vote of confidence in the vision for the school district and will allow us to address critical needs, including reducing class size, enhancing teacher compensation, and maintaining facilities. We will continue to give regular updates on the referendum.

If you have any questions for the Board of Education, please reach out to your school board member.
