Student Information Update and School Fees

Have you updated your child's information in InfoSnap through PowerSchool? If not, please do so promptly. Here's a link to get you started: <https://powerschool.hssd.k12.wi.us/public/>. Call the school office if you have any questions at 662-7958.

If you have not yet remitted payment for your child's annual fees, you may do so online using the [Student Quick Pay](#) feature on the district's website. You may pay fees for all of your children who attend the Howard-Suamico School District. You will need to know your child's Student Id. Student Ids were listed on your child's placement email. If you prefer to pay by cash or check, you can remit payment to school with your child. 2017-2018 school fees are as follows: Grades K-4 - \$20.00 Textbook Rental Fee. An additional \$35.00 Technology Insurance Fee applies only to 3rd and 4th grade.

Importance of School Attendance!

If your child will be absent due to an appointment, it is recommended that you attain an excuse from your provider for the date and time of the visit and return the excuse to the school office. This will ensure that the absence is noted as an excused absence or tardy. Appointment cards will NOT be accepted as an excuse.

You can now report your child's absence online on our school web page! [Click here to report an absence!](#) You can also call the school's attendance line at 662-7990.

Monitor your child's tardies and absences through the district website: <http://powerschool.hssd.k12.wi.us/public/>

Introducing NutriSlice: New Interactive Breakfast & Lunch Menus!

NutriSlice is an innovative method for parents and students to view information about what is on our school menu for breakfast and lunch each day. You can see an image and description for food items, as well as nutrition and allergen information. For those students with allergies, you are able to select the food you are allergic to and it will cross out any items on the menu that contain that allergen. Menu changes are updated in real time, so when there's a snow day you won't have any questions about what is being served the following school day. Please be sure to check the menus frequently for the most accurate and up to date information.

There's also the option to rate individual food items, so please help us continue to improve by providing feedback. Our innovative, interactive site and FREE mobile app make our school menus more convenient and informative than ever before. Visit your school's homepage, the Food Service page, or click here <http://hssdwi.nutrislice.com/> to check out the menu and all of the great features!
